Is an Indiana Series LLC Right For My Next Business? (RBE Blog 2017)

- On January 1, 2017, Indiana joined thirteen (13) other states in recognizing series limited liability companies (“Series LLCs”). Series LLCs were first introduced by the state of Delaware in 1996. Now authorized by Indiana Code § 23-18.1 et seq. (“Indiana Series Statute”), this Article explains what you need to know about Indiana Series LLCs and their unique limited liability protections....

The Business Entity Harmonization Act in 30 Seconds or Less (RBE Blog 2017)

- As many of our readers are aware, effective January 1, 2018 (less than ten (10) days away), Indiana Senate Bill 443, known as the “Business Entity Harmonization Act,” will become law. [1] The Act includes significant changes to Indiana’s current business entity laws, many of which have been substantially unchanged since the 1990s....
